

DOWN SYNDROME ASSOCIATION OF SOUTH TEXAS COVID-19 RESOURCE LINKS

Please review the following links for useful resources to help with Remote Distance Learning during our Covid-19 health situation. Come back from time to time as new links are added to this list. Thank you.

Added as of September 1, 2020

- Stetson and Associates were kind enough to share some wonderful links to help with distance learning for our wonderful children. Click here: [At Home Learning](#)
- Collaborative Distance Learning Options. Click here: [Collaborative Distance Learning Options](#)
- The Education Service Center-Region 20 offers many virtual workshops and information. Check this page from time as it is updated frequently. Click here: <https://sites.google.com/esc20.info/covid-19/home>
